Our dishes are as close as you can get to the real Mexican taste, made with a lot of love and of outstanding quality and are thus best enjoyed at Cencalli where we can help you choose and inform you about its cultural background.

However, these are unusual times and to continue serving – a selection of – our tacos, totopos, guacamole, tortillas and salsas we offer a take away/delivery menu.

If anything is not entirely to your satisfaction, please do not hesitate to contact us!
