## TAKE AWAY MENU

10% discount on Delivery prices

**AS LONG AS OUR STOCK PERMITS: PRODUCTS MAY RUN OUT**

The tastes of Cencalli can best be defined as 'original'. They take you back to the origins of the Mexican kitchen. And they can bring you new experiences or kindle memories of days past. We import for you the best corn, peppers, herbs and beans we can find in Mexico. This means we actually know the indigenous farmers who have been producing them for many generations. Between you and them, there is just us.

All our dishes, salsas and drinks are prepared with great love and care in our small restaurant. We cannot enjoy it together now, but we can share the experience over time and distance.

If you have any additional wishes, please do not hesitate to ask us!

*All our Take Away items are:*
